

seems assured in the short term but we face problems in the future as the old volunteers are aging all too fast. While ANGRMS has managed to attract some younger volunteers, we need more if the railway is going to continue to prosper and develop for another 30 years or more. ANGRMS is increasing its use of

A view in the yard area at Woodford. Many years ago, the Malcolm Moore loco at right featured in a children's storybook titled 'Sandy the Cane Train'.
